Dr. Loti Vayvodic
Physics Department
Fermi National Accelerator Laboratory
P.O. Box 500
Batavia, ILL 60510

Dear Loti:

I would like to put a request for an emulsion experiment at about 1 TeV energy range. I would appreciate it very much if you would kindly inform me about the approximate schedule of the new beam.

Thank you.

Yours sincerely,

Lal

*To Ray Stefauski
From Lon V.*

*Would you let Lal know
your schedule?*

*Thanks
Lon
someday*

*Note: We should ask for a proposal,
specifying details (flux, area, etc.)*
